- 2 Parents / Carers are quite welcome to stay and watch the session, but this is not compulsory.
- 3 Children are expected to remain in the session from beginning to end unless they have to leave early. If the child has to leave early or is being collected by someone other than the Parent / Carer, the Parent / Carer must advise the coach of the details of the arrangement including who will be collecting the child.
- 4 It is the young athlete's responsibility to participate in triathlon competitions in a sporting manner.
- 5 Any young athlete who persistently misbehave or put others at risk will be asked to leave the session.
- 6 It is the parent's responsibility to ensure that their child's bike is in a safe condition to ride.
- 7 A correctly fitting, approved cycling helmet **must** be worn at all times during the cycle coaching sessions.
- 8 For all children under 12yrs, coaching sessions will take place in a traffic free facility. However, some children (over 12yrs only) may be involved in coaching sessions that take place on the public highway. Children are only invited to take part when coaches feel they are sufficiently responsible for their own actions and have developed the necessary bike handling skills and fitness levels in order to cope with riding on the public highways. If you do not wish your child to be involved in these sessions then please tick the box below.

Please tick if you do not want your child to be involved in coaching sessions that take place on the public highway.
