

This is the list of kit we currently order on a regular basis. Any other items that Torelli stock can be ordered on request but they will be priced at cost (i.e. no subsidy will be given) and as each item we order has to be duplicated in size, you may have to pay for both items!

I would like any orders for kit to be in by the end of February. Items do not have to be paid for until they have been collected. Our minimum order is 30 items so bear in mind that I will probably not be doing another order until early Autumn.

Any questions, please give me a ring on 01394 380337 or e-mail heathercollinson@hotmail.co.uk.
